

Annual Mater Golf Day - 17th August 2008

The Annual Mater Golf Day was held on Sunday the 17th August at the Rockhampton Golf Club as a fundraising event to provide services and equipment to the Mater Hospital Rockhampton. This year's fundraising efforts were directed to the Rehabilitation Unit, where the need for an Independent Unit had been identified. The Independent unit will allow Rehab patients the opportunity to climatise to an environment similar to their home, while remaining in a safe and monitored situation. We would like to say thanks to the ongoing support of the local business community and also to our sponsors who have generously donated over the years. Sponsors include: GSB Transport, QML, Purely Electronics, Southern Cross Ten, Catholic Education, Pat O'Driscoll Real Estate, Mercy Health and Aged Care Central Qld Ltd, Andersons Consulting, Rees R & Syndey Jones, The Rock , Castlemaine Perkins and Thomson and Adsett architects..

The Mater Charity Golf Day was again a great success with in excess of \$15 000 raised. The players were treated to a breakfast of bacon, egg and sausage rolls and were given bags of goodies to enjoy on the course. Individuals could be seen sharpening their skills to ensure they had a chance at winning a prize. After the game the players were treated to a buffet lunch including dessert. Special thanks must go to our auctioneer Pat O'Driscoll for conducting our sporting memorabilia auction. On the whole a great day was had by all and we look forward to welcoming sponsorship and donations for next year's event with a date to be confirmed.
